④

(scalp is etchy)

P<sub>2</sub> (metallic)

Silver  
hard

tine, tine (sounds)

At Right here  
EA Impressed  
that's shiny.

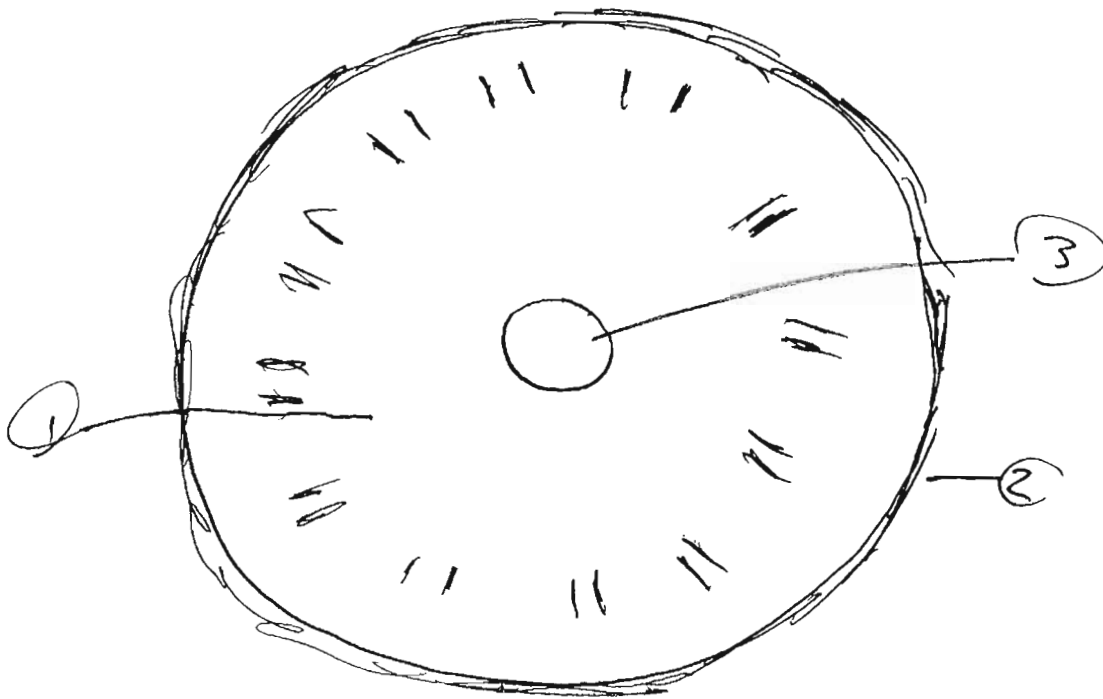

1. edge of ~~span~~ shiny object, hard, at angle
2. some kind of metal

S.C.  
LFO

(5)

(move 100 ft above object, look down and describe object)

1. This is huge, Center is higher than edges
2. outside edge is turn, spinning
3. a white bubble of some kind

\* There is ~~desperat~~  
desperation here.  
suffering
