(move to the weather at noon on June 1, 2013 and describe)

hard
rainy
overcast
grey
smells humid
warm
very hot here
seems enclosed
feels like warm water when I stick my hand out
semi-bright

peaceful

I'm in the middle of it

cityscape

feels quite warm here

(move to the general conditions at the location if people ignore the predictions
of the viewers and don't prepare and describe)

motion
crowded
(motion)
slowly
bios moving together
moving en masse
close together

moving between mms

calm
resigned
peaceful

in front of me

people walking
relative safety

(move to a bio at the location and describe)

tanned
dark skinned
hot
sweaty
male
adult
looking to the left
upright

waiting

cottony
smells sweaty
green
black
standing
looking around

relaxed

in front of me an slightly to the right

in front of a mm

man

hopeful
begin to understand
following others
upset
unprepared
get down
desperation

okay

DETOX
okay m
desperation t
get down t
unprepared t
upset t
following others t
begin to understand t
hopeful t

waiting
looking

(move 300 meters above the location and describe)

motion

mms
bios packed closely together
bios surrounding the mms

BR: 15:04
RE: 15:06

(move to why the bios are moving en masse and describe)

desire

recovery

(move to the general conditions at the location and describe)

crowded
bios moving
support
green
ogranized
bios are getting away to somewhere

(move to why the bios are getting away and describe)

fleeing
scared
moving down towards the water

(move to the water and describe)

warm
salty
choppy
grey
humid
lots of bios on the land
feels hard underneath the water

(move below the water and describe)

murky
greenish
lighter up above and darker down below
seems very churned up
not very deep here
feels hard in some places when I move my hand around here
wider than deep
tumultuous

ocean or large body of water
tidal

(move to why the bios are moving towards the water and describe)

safety

ED: this doesn't make sense!
hey kiddo it isn't supposed to

safety

it gives them the ability to spread out

ES: 15:21

SUMMARY

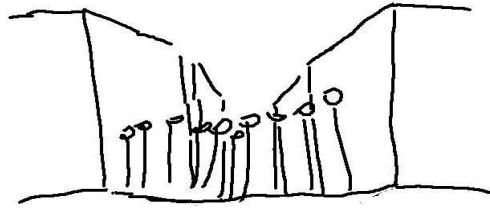

The target is a location:

rainy
overcast
grey
smells humid
