space in front of them

standing along a length

in a row

but not overly organized

listening

concerned and cautious
paying attention
sense of concern
 population
 there can be more
mostly males but females too
concept of half of them being there

mm

curved
hard
metallic
big
flat sided
bulky
mechanical
grooved
 hard angles
 along the length of the mm
it's talking to the people or conveying a message
located opposite to where the bios are lined up about mid way
between two large mms
on the ground
bios
 around the mm
 authority
 controlling
 overseeing
 military

Other things I found at the target are:

part of the reason the people are responding that way is due to politics
political situation is worse
