man

near a lot of other bios

purveyor

busy here but not too crowded

some mms that move on their own here

(2) mm

large

hollow

brighter on the outside than on the inside

space inside

doesn't look modern

busy around it

as wide as it is tall

casual

building

refine

store

(3) ground

(4) bios

moving

walking around

going different places

noise here

noise caused by bios

not rustic but doesn't seem ultra modern here

(move 300 meters above the location and describe)

mms

(mms)

white

different shapes and sizes

on the same horizontal

close together

urban type setting

seem nestled in

(nestled in)

open above the mms

bounded

(bounded)

vertical

(vertical)

sloping off to the side

tall

rises up above the mms and off to one side

natural

rough

rugged

tall

fairly steep angle

imposing

large gentleness

off to my right front

mountain  
hillside

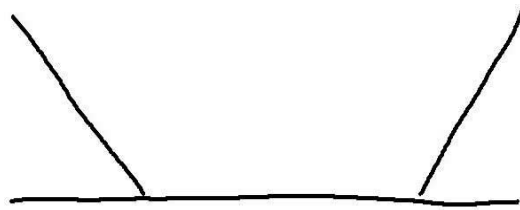

gravitoinal  
boundary

ES: 15:21

**SUMMARY**

The target is a location:

approx. 70 F  
humidity is approx. 90 per cent  
cloud cover is approx. 100 percent  
Latin American feel to it  
sketch

V shaped

which defines the location geographically  
is on either side of the location  
tall  
sloped

inwards towards the middle  
steep  
rough  
rugged  
natural

green  
clumpy  
small

wider at the top than the bottom  
mountain or hill side  
feels gentle

mm

several of them  
in the middle of the V  
at the bottom

white  
different shapes and sizes  
on the same horizontal  
close together  
urban type setting  
concept of nestled in, as in bounded

sketch  
(1) bio

adult  
near a mm  
upright

moving  
                  walking  
looking for something or someone  
red  
dark haired  
strong  
does manual work  
not so tall actually  
resourceful  
on a mission  
near a lot of other bios  
purveyor

(2) mm

large  
hollow  
brighter on the outside than on the inside  
doesn't look modern  
busy around it  
as wide as it is tall

(3) ground

(4) bios

moving  
                  walking around  
going different places  
fairly close together

noisy here

caused by bios  
caused by mms  
like a noisy urban din

not rustic but doesn't seem ultra modern here  
busy here but not too crowded  
some mms that move on their own here
