End busy schedule
09:50

The target is a location. Describe the location
at the appropriate time.

080525

A1: forward
up
loop back
down
forward
fine gritty
flowing

B1: space

A2: forward
slight decline
particulate-y

B2: bend

2
A3: slightly dipping
slightly inclining
slightly dipping
angle up
hard
gritty

B3: unknown

Note: similar to my gestalt
for metal

A4: slight incline
straight
angled down
curving forward
particulate-y
tentative

B4: man made

P2: (space)

open
wide
white
empty
moving
loosening

P2: (land)

brown

flat

green

dry

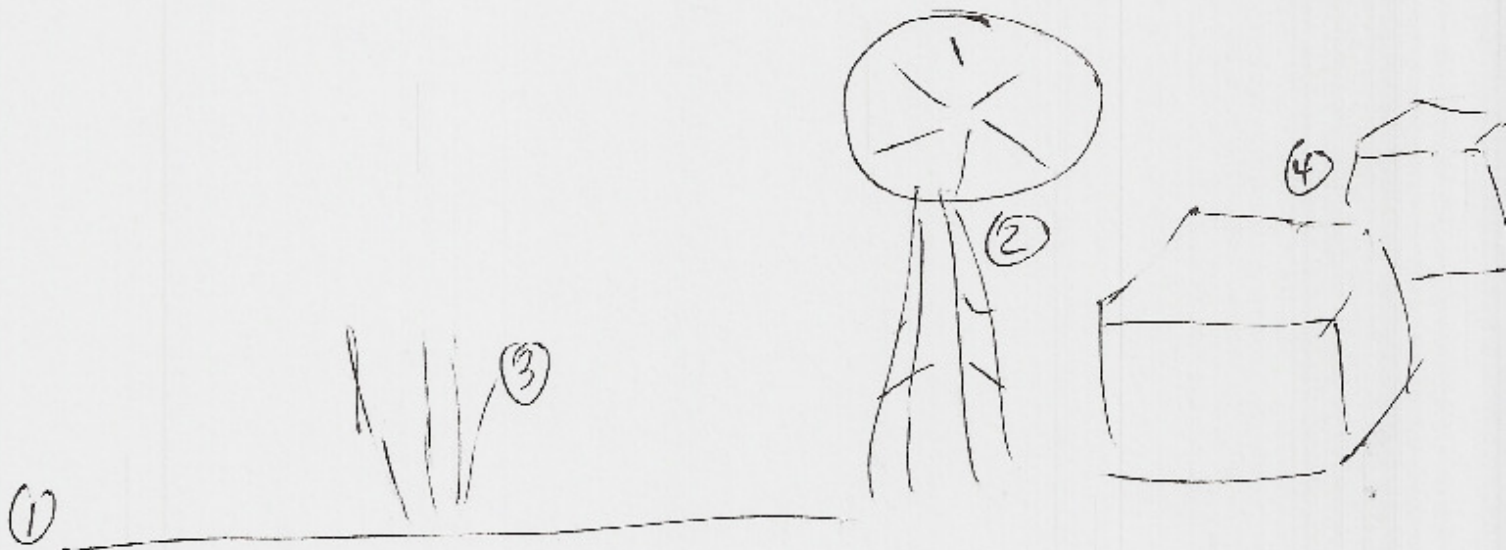

moving vegetation

wind swept

empty

A1 land in front of me.
seems kind of desolate
I should feel sad but
I feel accepting.

P3:

① land

② man made
metallic
old
stopped

sc ferris wheel or
wind mill

- (5) metallic legs
circular construct
high up
spoked
- (3) plant life
out of control
not kept up
- (4) buildings
mechanical repairs
workmen
storage
commercial

Note: feels like farm land,
countryside but also
a place for entertain-
ment.

End session 09:50

Summary: The location has aspects of

space

land

~~unimproved~~

The space is

open

wide

dusty

uninteresting

The land is

flat

spacious

brown

green

overgrown with weeds + grasses

where crops have died or gone to seed

dry

6
The manmade #1 is (see P3)
metallic structure
moving in place
circular part ~~go~~
goes around
up in the air

manmade #2

buildings

1st: purpose - mechanical repairs
storage
office
commercial

2nd: visitors
information
shopping

Other things I found:

Feels like a Knott's Berry Farm type place where
farming + entertainment take place but its
empty now. Dying, or on the decline.

End Summary 10:00
