barren

lonely

se bad water supply
land overflowed w
water.

① trees

A1 land in front of me, trees broken
awesome + sad

② land covered w water
water not deep
dirty

sc animals nowhere to
go - out of place

Summary 21:42

The target has aspects of
animals
water
space

The animals are:

thin
sickly
afraid
stunned
out of place

The water is
overflowed onto the land
brown
brackish
cold
smelly - putrid

The space is
clear
darkened
cold

Other things I found:

- lack of potable water
- the place feels lonely to me
- trees sticking up from ground (underwater)
are broken, stick like.

End session: 21:48
