

Target #28

Target name: Key West, Florida

Target latitude and longitude: 24.549656, -81.787407

Target elevation: 1 meter

Target time: 1 June 2013, 12 noon target local time, following the timeline in which the leadership of the mainstream global scientific establishment continues to ignore or deny (1) the reality of the remote-viewing phenomenon, and (2) the existence of life not originating from Earth.

Reference Photo: This photo was not taken at target time.
