## LAND 1 PERCEPTIONS

I SAW Rugged LAND WITH A DARK, DEEP FISSURE. INSIDE THE FISSURE I SAW GLOWING FLASHES OF ENERGY. THIS FELT ARTIFICIAL RATHER THAN ~~NATURAL~~ NATURAL.

I GOT A SENSE OF ARTIFICIAL VULCANISM USED AS MINING - LIKE MELTING MINERAL SEDIMENT DEPOSITS TO LIQUIFY AND EXTRACT.

A SENSE AND VISION OF BLUE HOT (LIKE WELDING) ENERGY INSIDE A SEAM OF ROCK.

A SENSE OF HIGH MINING ON A BIG SCALE.

BLUE ENERGY FLASHES - SOMETHING LIQUIFIES AND FLOWS

STOP

NATURAL  
BUT ARTIFICIALLY  
ALTERED.

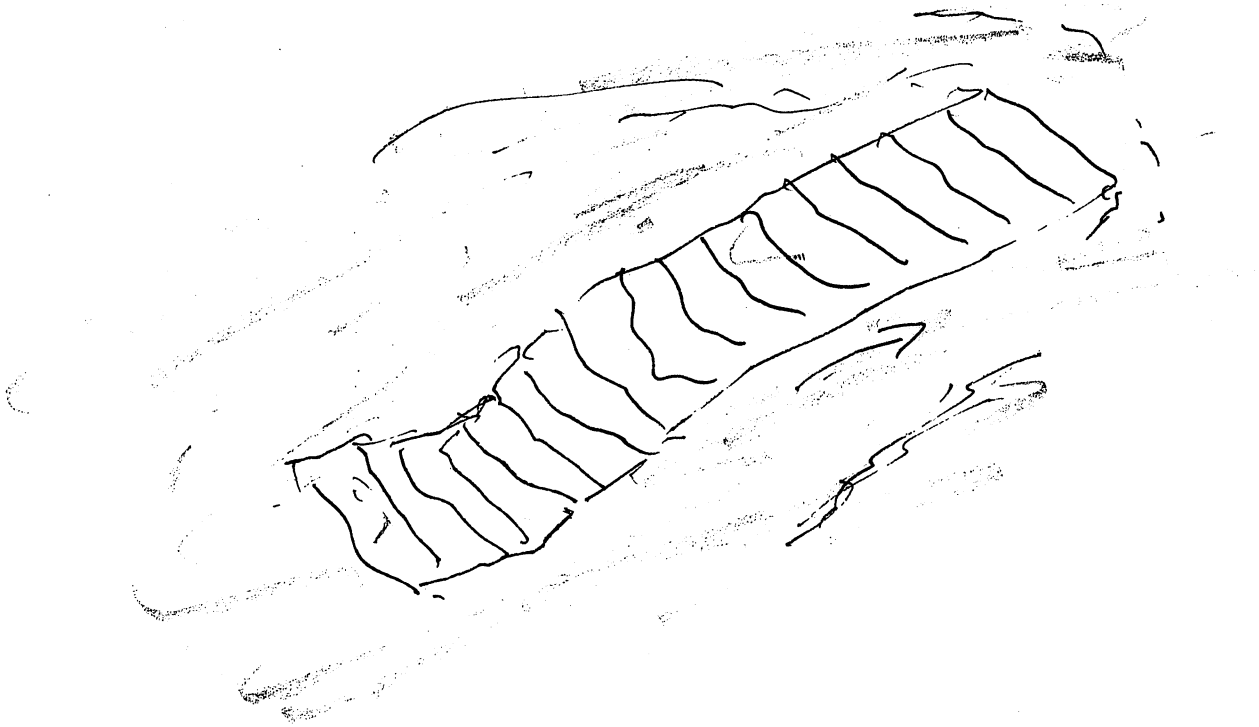

THIS LOOKED LIKE A  
BEAUTIFUL GLOWING ANIMATION OF  
A REPRESENTATION OF A NEURAL  
NETWORK- SYNAPSES  
NERVES TRANSMITTING  
ELECTRICAL ENERGY

AREA  
SURROUNDING

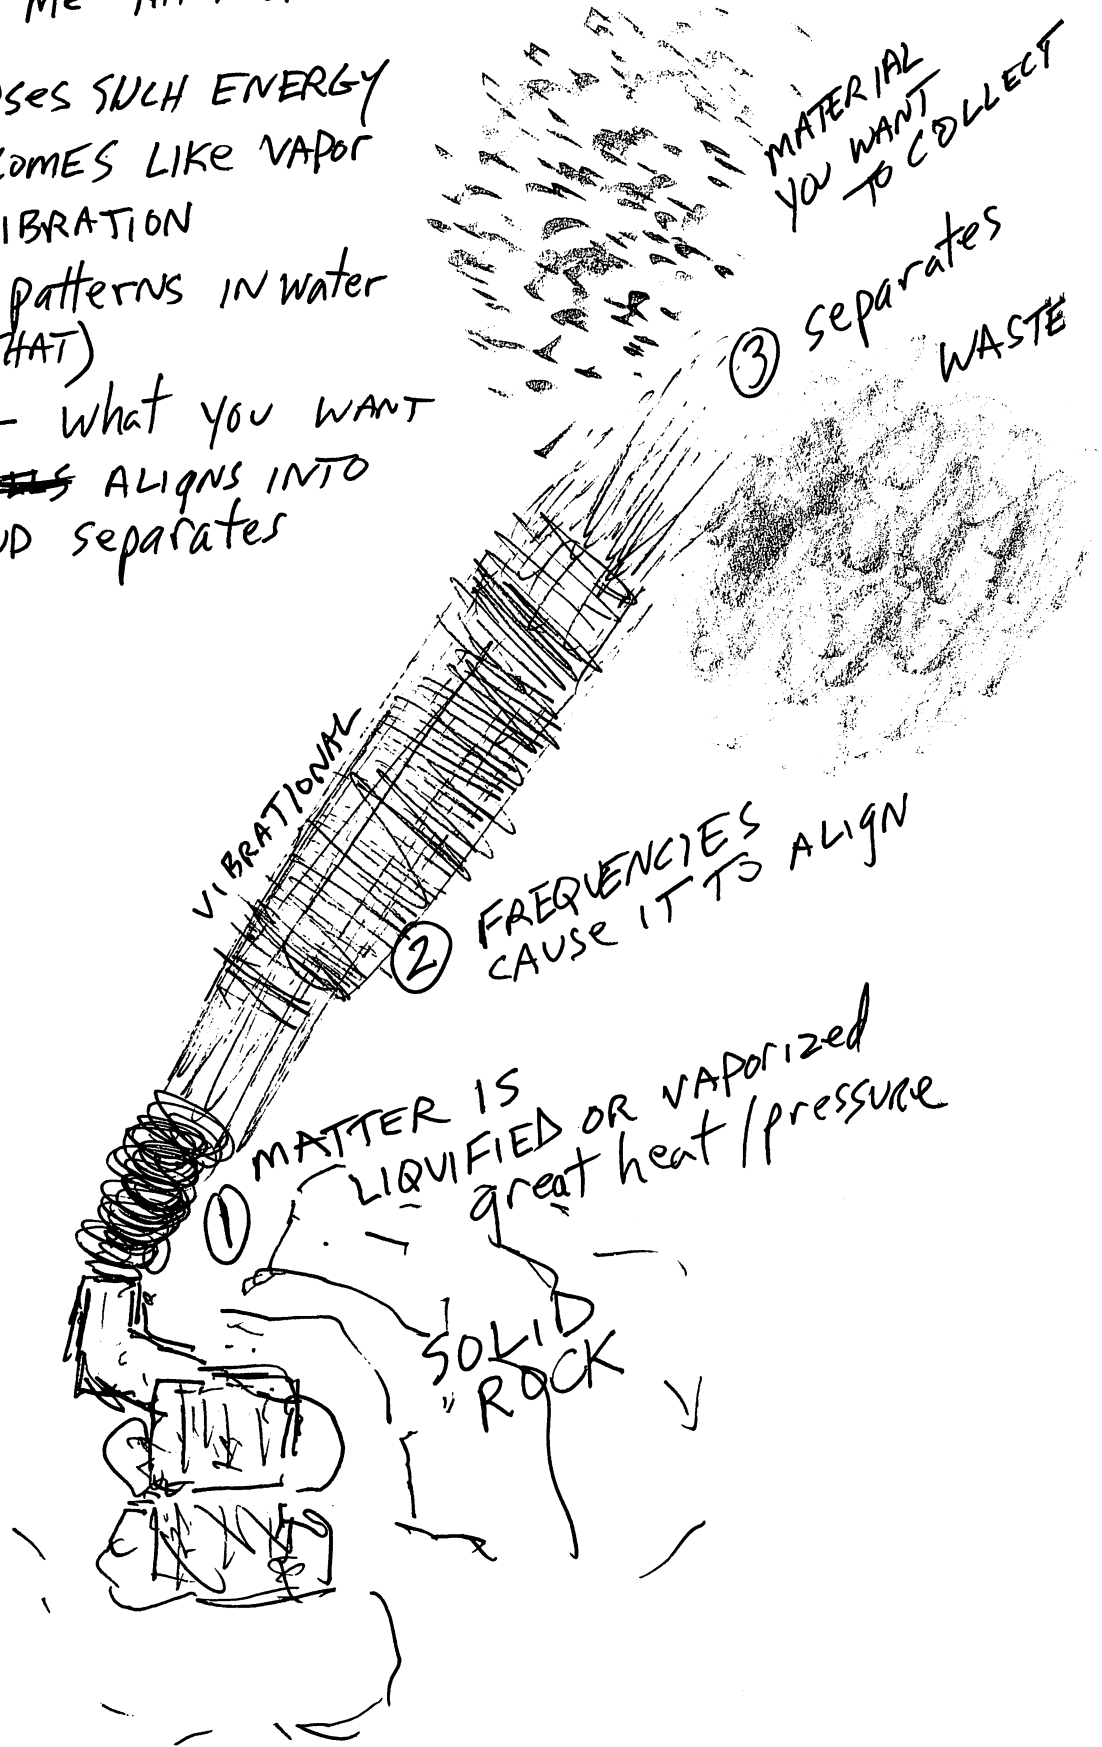

SMEAR OF  
ENERGY

LIKE: "What does an  
electron look like?"

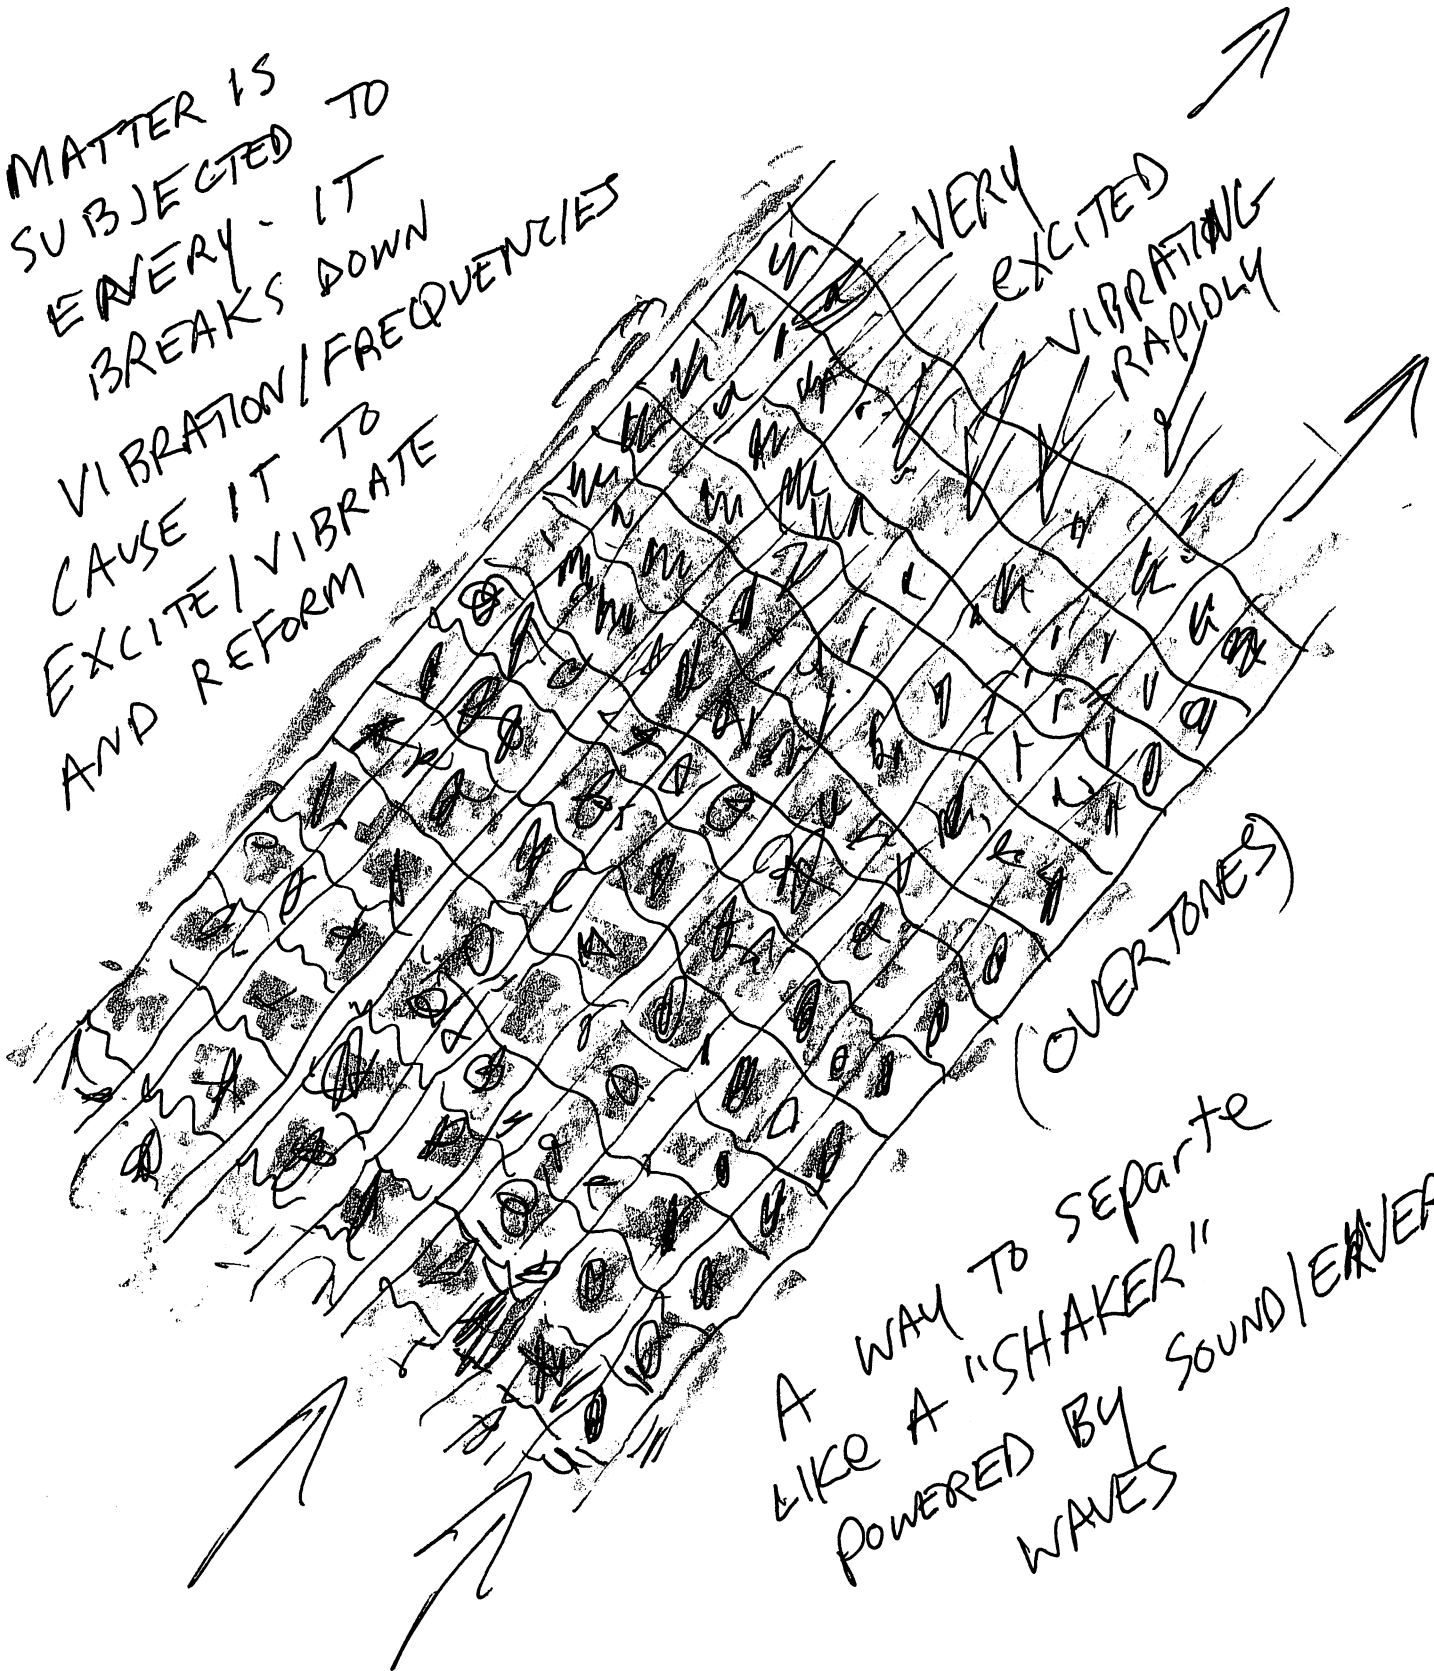

# EDGING

THIS MADE ME THINK OF HIGH TECH ALIEN MINING

SOMETHING FOCUSES SUCH ENERGY THAT ROCK BECOMES LIKE VAPOR  
• A FREQUENCY VIBRATION (LIKE SOUND MAKES PATTERNS IN WATER IT LOOKED LIKE THAT)  
creates A GRID - WHAT YOU WANT TO EXTRACT ~~PARTS~~ ALIGNS INTO ITS PATTERN AND SEPARATES

MATTER IS  
SUBJECTED TO  
ENERGY - IT  
BREAKS DOWN  
VIBRATION/FREQUENCIES  
CAUSE IT TO  
EXCITE/VIBRATE  
AND REFORM

A WAY TO SEPARATE  
LIKE A "SHAKER"  
POWERED BY SOUND/ENERGY  
WAVES

LIFE:

HIVE THAT ENTERS  
A CHAMBER EN MASSE  
AND WORKS underground

FEEL ~~like~~ DRONES

NOT TOO SMART
