

## TARGET 0606

---

the location:

city - urban, built-up, central location, busy, modern city, english speaking.

a linear road sits in front of the structure, the area feels blocky, sectioned in blocks from above.

the structure:

Important, iconic, a good backfrop to media events, like this.

a tall, layered structure.

life:

male at the heart of this, very wordy, like a speech is being given, explanation.

emotional, this life feels battered, tiered, defeated somewhat.

He is important,a leader, with a security detail and support staff.

life in fornt of the primary are busy, occupied, nervous and feel media related - like press.

this feels like a press event, arranged speech/event.

An important announcement, reaching impacts, very news worthy.
