Summary

The target has elements of people, manmade, and energy.

The people are;

two groups

the first group of people are;

many / in mass

pulling for, tugging for, something

surrounding a platform

where the center of the event is

they are waiting

anticipating

full of want, desire for this event

they want this

are happy

have waited a long time

making audible noises

overjoyed

entertained

having fun

(10)

The second group of people are;

are several

are moving

up

down

side to side

performing

visible to the other crowd

higher up than the other crowd

on a platform

starting out slow

making an effort

it's a hard effort

making noise

it's loud

they are entertaining

putting out a show

The manmade is;

long

flat

at center of event

visible to the crowd

(11)

has flaws
supports several people
hard
brown
black
white
boxy

The energy is ;
coming from the people
a great ~~the~~ level of excitement

Other things I found were ;

This felt outside
in the evening

~~Also, a street~~

There is water nearby (pool or body of water)

END SESSION 17:43
