① \* (Targets that are events tend to be difficult for me. My focus is shot. I am going on to my summary)

---

## Summary

The target has elements of:

Motion/energy, people, and manmade, with an event.

The motion/energy is;

under

over

fast

bending

radiating

weird

compact

circular

has a center

swings out from the center

(12)

fierce  
tough  
violent  
unreal  
tight  
is manmade  
dangerous  
controlled  
frightning  
electric  
exciting  
strong  
fearful  
causes the people to be careful  
amazing  
to be witnessed  
a show  
"purple"  
frenzied  
spread out  
rich  
energued  
scripted  
loud  
some squeaking  
~~staring~~ (remove this)  
contained

(13)

The focus of the people.

The people are:

a group  
watching  
very still  
aware of the energy present  
strongly focused  
fearful  
excited  
aware of danger

The manmade are:

enclosures  
public  
a park or complex

has a section

for the majority of the people  
has good view of activity (energy)  
is shielded or partitioned  
for protection

has a building structure

has rooms  
enclosed  
public  
provides services  
has bathrooms here for the whole complex

(14)

movement inside is unrestricted

the color green is here

has plumbing

has a flat roof

walls are of cement

has two major walls

wall #1 is;

used for retaining

to keep inside

backstop-ish

high

hard

very wide

curved in  $\frac{1}{4}$  circle

greenish

thick

smooth

right next to action

wall #2 is;

away from action

not as important as wall #1

tall

very thick

(15)

The event is ;

manmade  
controlled  
showy  
"Something to be watched"  
scripted  
fun  
exciting  
entertaining

has side interests in

vending  
sales  
business

Other things found at the target are ;

Ambience-

dangerous, but controlled  
awing and even frightening

Has a ballpark feel to it.  
A sense of "for the sport of it."

END of Session  
10:14

Total time spent of session.
