Summary

The target has elements of:

movement

people

water

land

man-made

The movement has aspects of:

turning

tight

uneven

up and down

The people have aspects of:

participants

driving

spectators

The water has aspects of:

wide

open  
moving

The land has aspects of:

sand-like

uneven

background for activity

expansive

curved aspect

hills in distance

mountains

city buildings

The man-made has aspects of:

vehicle

boat

moving ~~fast~~

fast

white

grey

flapping  
material

moving  
up & down  
erratic

Other things I observed:

outdoors

sunny

cool but comfortable

End summary: 7:15 pm
