AFTER IDEOGRAMS / PROBES I Feel
A sense of RAPID DYNAMIC MOTION
small things vibrating with high
FREQUENCY.

A sense of NATURE BEING ALTERED

Something created / influenced
on a molecular or atomic
level.

STEP

Holds support
like
inspiration
for great
art
moment of
sublime

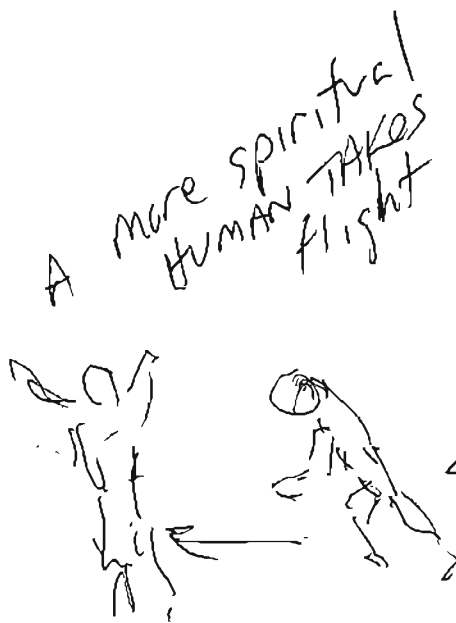

LIKE WATCHING A PERSON AT
MOMENT OF GREAT INSPIRATION. HE "SEES THE LIGHT"
HAS MOMENT OF CLARITY-REVELATION THAT FEELS
NEED TO EXPRESS IN GREAT ART -
LIKE WHAT MADE DA VINCI PAINT SISTINE CHAPEL?
THIS IS A GOLDEN MOMENT OF INSPIRATION
HOW DO YOU EXPRESS THIS? FEELS LIKE DESCRIPTION OF NDE
I FELT THIS PERSON EXPERIENCING IT

HAVING TO STEADY
HIMSELF - GRAB FOR
SUPPORT -

HAVING A MOMENT OF
LUCIDITY & REVELATION
A TRANSFORMATIONAL
INSTANT - UNDERSTAND IN
A FLASH what would take
A BOOK TO DESCRIBE
OR a great PAINTING
TO portray

A more spiritual
HUMAN TAKES
flight

LIKE A HUMAN
CRYSALIS -
How a caterpillar
TURNS INTO Butterfly
I set a HUMAN FORM
shucking off old shell
AND A NEW more vibrant
BEING emerges
