## Summary

The target contains a location that is

crusty

dry

tan

formerly held water

out doors

interesting lighting

The water formerly in this location was

cold

refreshing

huge

fast moving

out of control

and is now underground

The target contains a manmade

that is hollow

empty

metallic

attracts biologicals

offers refuge

is partly underground

The target contains an energy

that is red

blazing

warm

not hot

12/14

friendly  
safe  
welcome  
appreciated

that makes biologicals at the location

happy  
peaceful  
fulfilled  
content  
encouraged

The target contains biologicals

that are many  
moving  
walking  
slowly  
like a dancer  
uniformed  
pale  
white

The target contains an unknown

that is scary  
fast  
dangerous  
furry  
white  
black  
with outdoor ambience

The unknown has a green element

that is moving

flowing

breezy

blowing

tall

pointed

provides stability

has deep roots

is of a great age

has a bush-like component

that is black

rough

curved

The unknown has a red element

that is small

clay-like material

hard

like a tile

slightly rough

cool

tastes like plaster

square

flat

biologicals consider it useful

made it with care

The target contains an unknown

that is wet

fast moving

small

hard to see

manmade

in a manmade container

The target contains a location that is

noisy

strident

loud

with an atmosphere of urgency  
lack of control

where there is striving  
stretching  
restraint

The target contains a location that is

lonely

represents welcome solitude

hilly

rounded parts

where breathing is easy
