STOP

ENCASED -
CONNECTED
LIKE HUMAN
BECOMES part
of a machine

THIS seems LIKE A person encased
IN A Form Fitting machine with many
CONNECTIONS especially to hands/fingers
that allow person to 'become' the
machine - Thoughts, gestures
small finger movements transmitted
VIA Neural computer to a larger
machine

THIS person is both a test subject AND
operator - but becomes - or acquires knowledge
& power that goes beyond the experiment
THIS gives the person tremendous power

EDGING

I saw what I perceived
as holographic images
being displayed in a blue mist
