BREAKING WAVES

step

The covering of the exterior is complex. CAN generate solar photovoltaic AND also shield, camouflage - A sense of "stealth" material that deflects electronic signals some ~~to~~ exotic material shields this

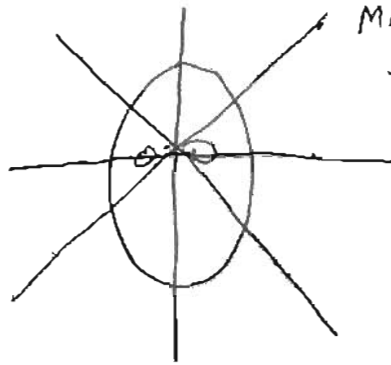

BLACKBOARD

STRUCTURE 1
 Large functional not architecturally pleasing
 activity mechanical sounds like warehouse
 research sounds
 FABRICATION development

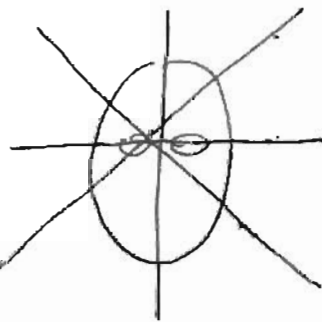

ALIEN communication

BLACKBOARD

STRUCTURE 2
 MASSIVE RF energy
 tall narrow support wires
 high pitched emissions
 electronic phased array

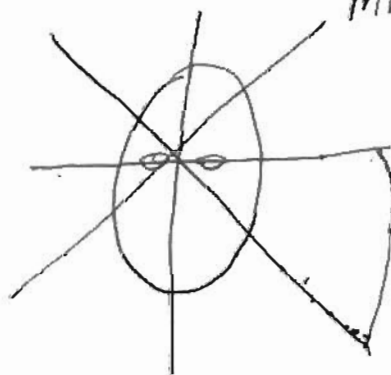

BLACKBOARD

ENERGY 1
 intense very clean purifies
 A pitch beyond our perception induction
 harnessed essential force of universe

steady - doesn't pulse

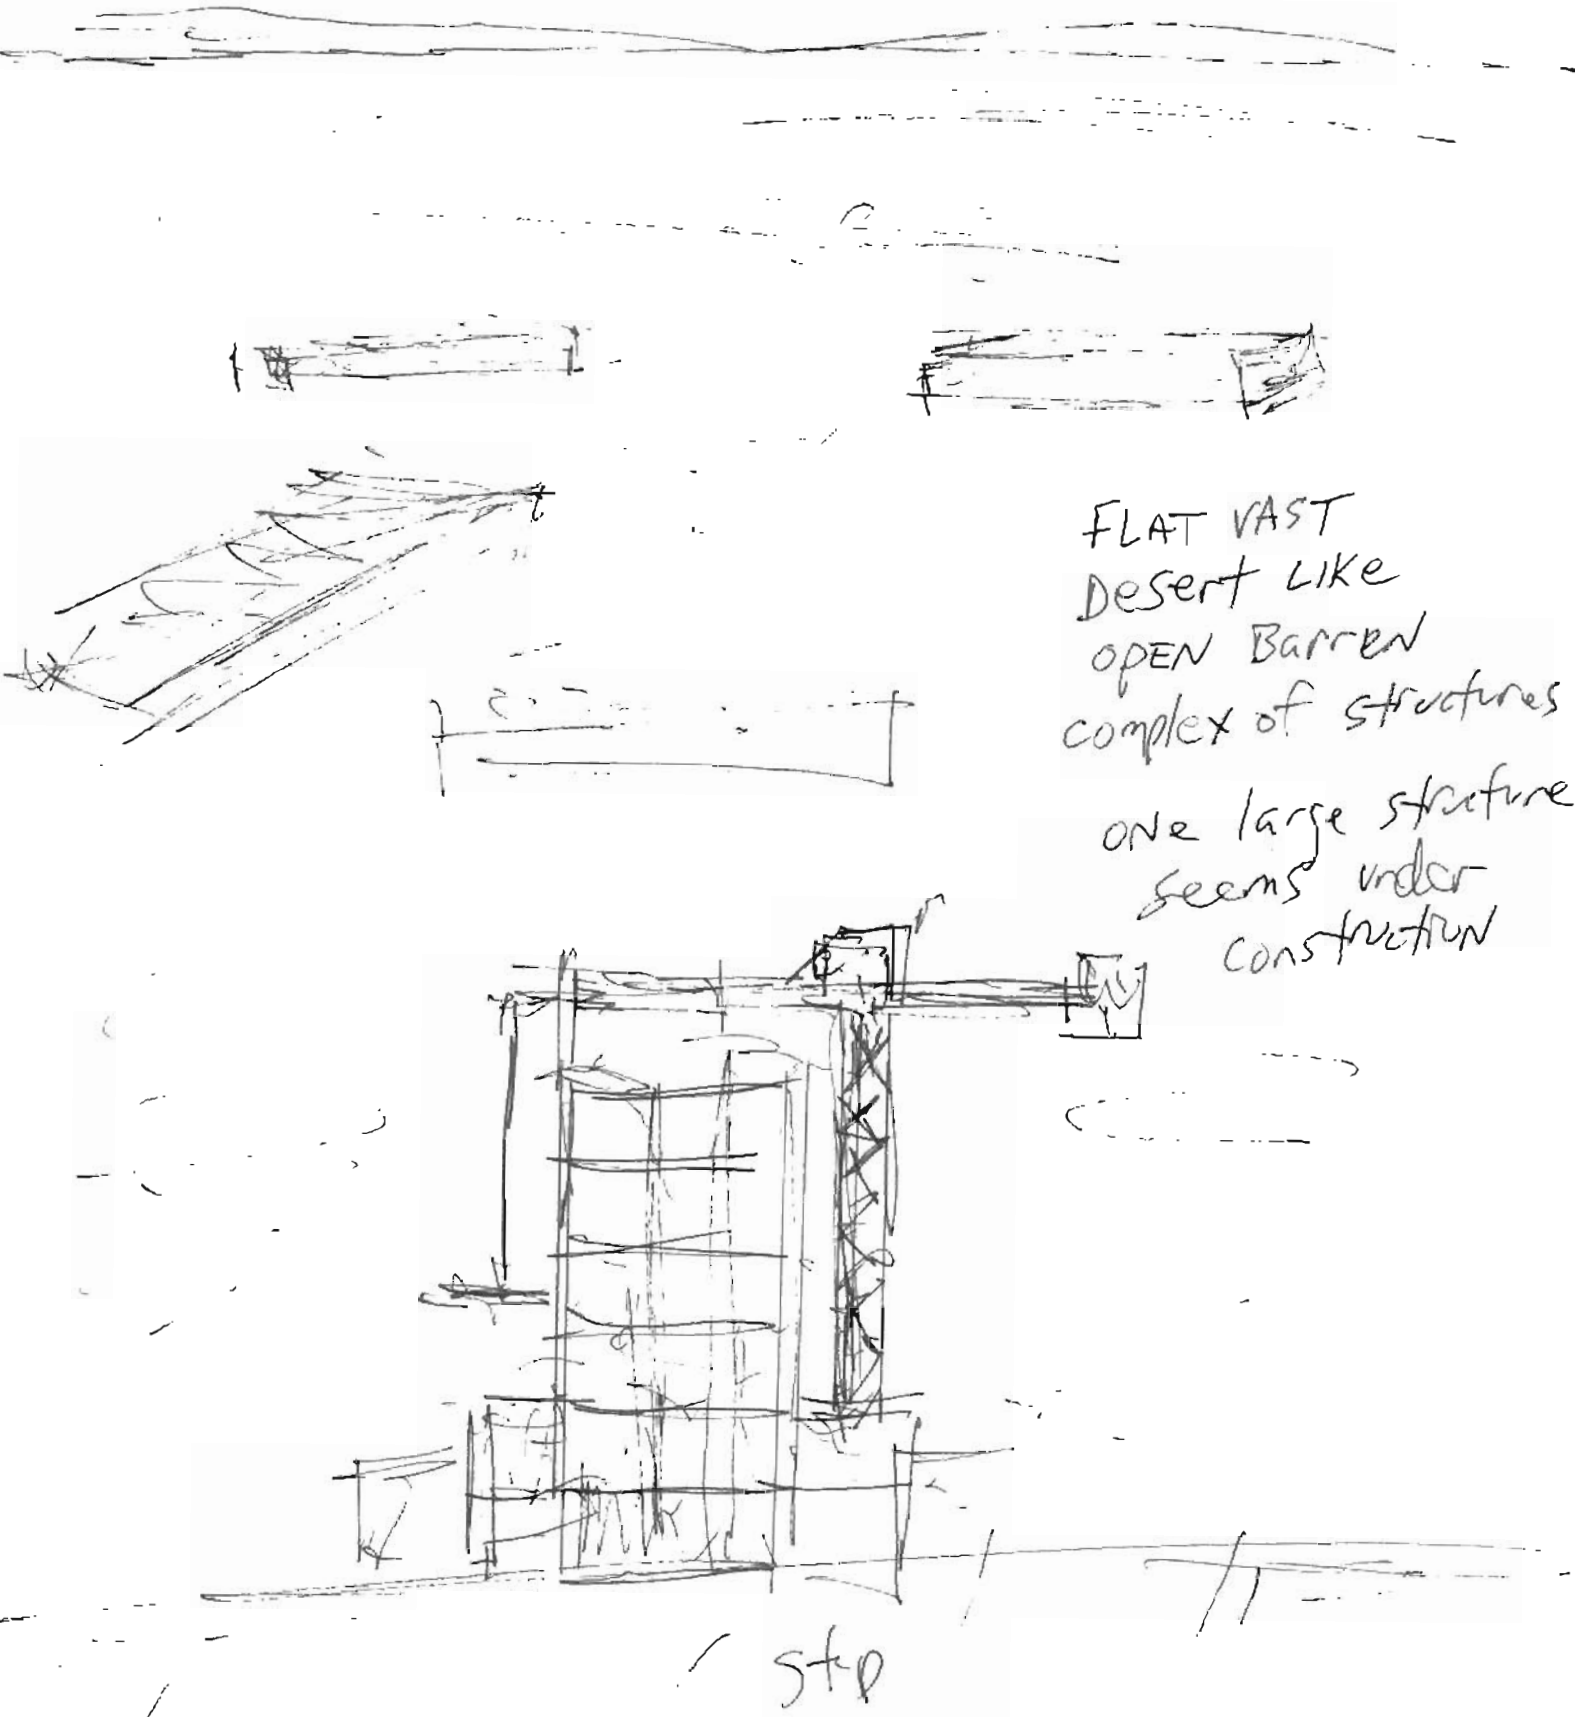

BLACKBOARD

HUMANS MULT.
 MANY people in lines in public
 sense of travel announcements crowd noise mechanical
 surprise as attention drawn to announcement
 state of DENIAL

matter of fact very life changing
 BAD NEWS
 That's the way it is
 Nothing can be changed
 Acceptance

Anger non acceptance DENIAL
