Thoughts

Is this place even real?
How can you have an Artificial Natural Environment.

VF- The life I am feeling could possibly be Animals because I am the only person down here maybe IDR

Edited out water

Sort of like the movie Avatar

or hill shaped thing.

- Simi-hard (I can't knock on it)
- Natural
- Very Pyramid like.
- Feels Important.
- ~~Arch~~ Ancient.
- Smooth yet Rugged feel to it.
- (like it may have been formed by nature

- Inside, tunnels, space,
- Abandoned.....

VF - How can
you have closed
Dynamics
Under Water?
What are you?
Are you a mountain?
a Pyramid?
were you a home?
Burial Ground?
So many thoughts
run through my
head, but I need
to stay focused.
What was this
underwater world?

Go inside The Tunnel, What Do I See.

Decay
Sticky or Goopy
Walls...
Drip... Drip... Drip...

long straight tunnel
leads to another tunnel

tunnel is more wide than the first
Engravings or markings on
Wall of the tunnel
hard to make out what it is
Slimy... whatever this is it used
to be important, maybe it still is.

leads to open space.
I feel like some type of
being used to be here.
makes me think of a royal
Place. That had been Abandoned.
Bumpy lumpy walls. muddy.
Something that looks like it

could have been a table or used to be
a table.

There isn't much really hear now
but it feels like it used to be.

Going through here. ~~I can feel life~~
I can feel life.

Temple...

no one has been here
in centuries. so if something
were here... it has decayed
or disappeared...
