Grey smoke like substance!

(Panic!!!)

It just blows!

(Someone is in the
building!)

It sounds like crackling from fire
but I see ~~now~~ direct flames!

You can hear things melting breaking

Poping... falling Collapsing!

But you can't see!!!

VF: This
is freaking
me out!

It's like
I'm worried
for the PBI in
there!

I Can't Catch My Heart Beat!

What happened!

Viewer Thoughts:

How far can this EXPLOSION Really
be seen Across the Earth?!

Can the whole half of the Earth see it too?

Satellites can catch this.

It almost covers the Planet...
