THIS WAS LIKE WATCHING AN
underground test of nuclear device at
Nevada site - when LAND shudders -
domes, cracks, collapses.

BUT NOT the same - THIS IS NOT
A nuclear underground blast.

I saw very focused directed
energy - harmonics converge on
one point from many directions
AND caused the EARTH/LAND/ROCK
TO FUSE/VIBRATE/collapse
"pummeled by THOR'S BOLT"

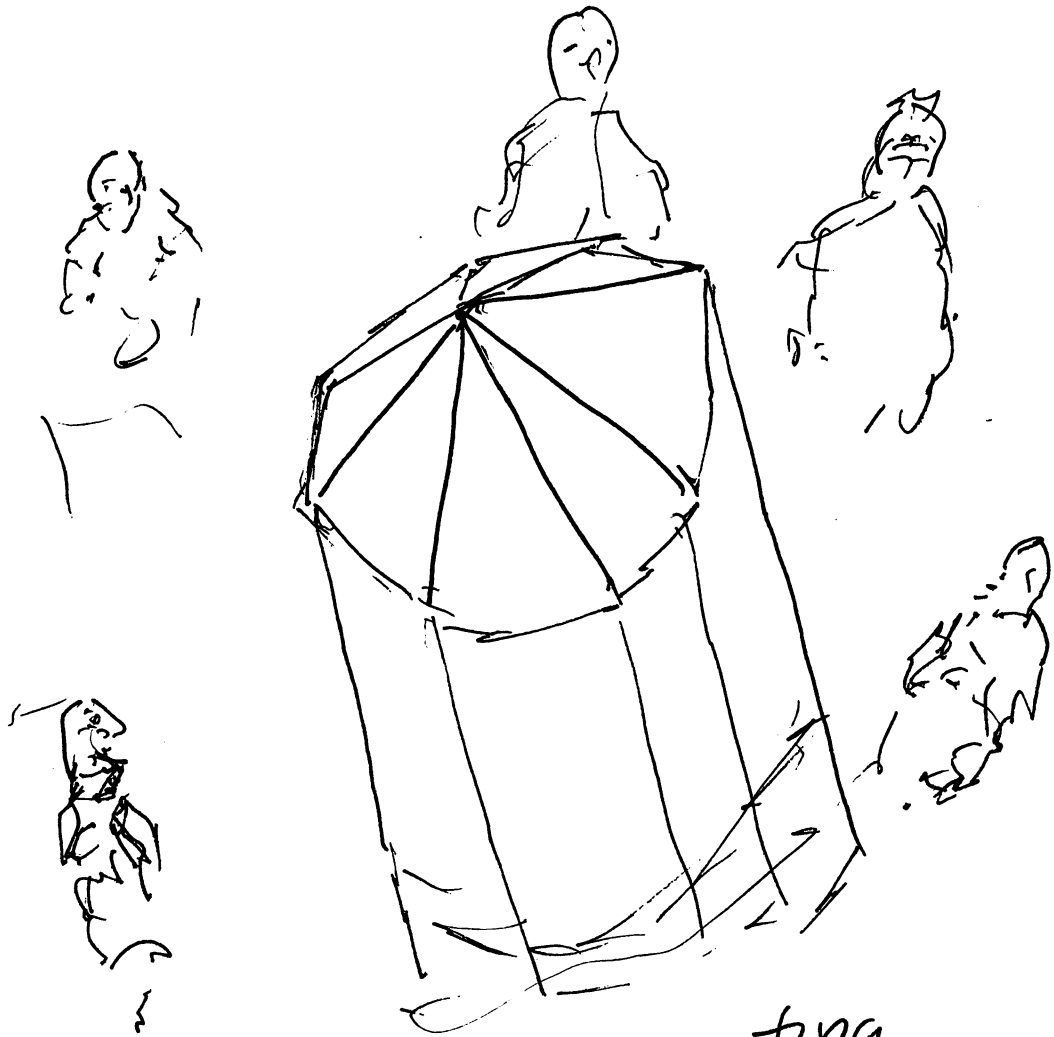

The TERM "THOR'S BOLT"
comes to my head LIKE
what the scientists OR creators
would name this.

ENERGY GRID LAY LINES

THOUSANDS OF SOULS FLOCK TO LIGHT

PEOPLE gather TO CONJURE UP something
LIKE A RAIN DANCE - SHAMANISTIC
FEEL - BUT they CONJURE UP-witness
TREMENDOUS energy
